

Life Group Study Questions  
The week of December 17<sup>th</sup>  
Roadblocks to Worship

1. In what way do you see religiosity having an effect on people when it comes to worship and how can you be affected by it personally?

2. Does the busyness of your mind hinder you from worshiping God? If so, what is it that your mind is consumed with? What is it that you worry about and what is the right response to thoughts that might hinder your worship?

3. What are some lies that we could believe about money that could hinder our worship? What are a few things that the Bible says about how we should view money or possessions?

4. How are power & fame exalted in our culture? Why is there such a temptation to exalt yourself instead of Christ and what would look different in your life if you lived every moment of every day desiring to exalt Christ?

5. How does your desire to please yourself hinder your ability to worship and what specific ways do you see this played out in your life?
